Fine Art Prints

Prints are made to order and dispatched to your door. We use Giclee print technology and the finest cotton rag. The prints are available in two sizes. Limited Editions are exactly the same size as the original painting, each is hand-signed and numbered by the artist with the edition limited to 100 prints.

Half sized prints are hand-signed but not limited in number.

The Giving Voice:Earth series are printed on canvas and look just like the originals.
